The *Institut National des Sciences Appliquées*
English-language *Lecteur/Lectrice* position available
Academic year 2026-2027

- The post involves teaching **engineering students at the INSA Hauts-de-France** which is part of the Université Polytechnique des Hauts-de-France.
- 200 hours class time per year as a minimum (plus paid overtime)
- Gross salary: €1819 per month
- We are looking for an English native speaker:
-
- who has completed a 4-year university course
- who will work closely with permanent teaching staff
- who is able to draw up lesson plans independently and grade students
- who is dynamic, organised, creative and motivated
- who is comfortable with working paid overtime
- Previous teaching experience essential, preferably to higher education students

- Contract starts 1st September 2026 and ends on 31st August 2027. Possibility of renewing contract for one year.
- Classes run from September - June

The *lecteur/lectrice* will:

- Teach professional business English to full-time engineering students (Bac + 1 to Bac + 5) - Prepare students for the TOEIC certification

Please note that if you have already occupied a *lecteur/lectrice* position in France, you are not eligible to apply for this position.

To apply, please send a copy of the following documents as one single file:

- CV (in English and French)
- Cover Letter in English and French (addressed to Jane Lauro)
- Passport / ID
- Diplomas – degree certificates and transcripts
- "Attestation sur l'honneur" (stating that you have held no previous position as a *lecteur/lectrice* in France)

Candidates shortlisted for an interview will be contacted from late March onwards.

Application deadline: 09 April 2026 04:00 PM
The above-mentioned documents are to be sent by mail or email to: Jane Lauro
UPHF / INSA – Le Mont Houy
59013 Valenciennes Cedex 09
France

Email: jane.lauro@uphf.fr

For further information, please feel free to contact Jane Lauro, INSA English Language Coordinator for Engineering Students.

Dans le cadre de leur projet et de l'attention qu'ils portent à l'égalité, l'UPHF et l'INSA HdF accueillent favorablement les candidatures des personnes du genre le moins représenté dans le secteur ou la discipline concerné.
