

Création du compte MATLAB

1. Créez un compte MathWorks en utilisant votre adresse email universitaire:

<http://mathworks.com/account>

The screenshot shows a web browser window with the MathWorks Account login page. The browser's address bar displays the URL <https://www.mathworks.com/login?uri=%2Fmwaccount%2F>. The page features the MathWorks logo at the top left, followed by a blue header bar with the text "MathWorks Account". Below this, a grey box contains the instruction "Log in to your MathWorks Account or create a new one." The main content area is titled "Log in to your MathWorks Account" and includes two input fields: "Email Address or User ID" and "Password". A link for "Forgot your password?" is positioned below the password field. A checkbox labeled "Keep me logged in" is checked. A blue "Log In" button is located at the bottom right of the login section. At the bottom of the page, there is a link "Don't have a MathWorks Account? Create Account" and additional links for "Problems Logging In?", "FAQ", and "Send us your feedback if you have questions or comments."
