

Installation et activation pour Windows

1. Localisez le programme d'installation téléchargé dans l'explorateur. Celui-ci doit se trouver à l'emplacement par défaut des téléchargements, sauf si vous avez spécifié un autre emplacement. Le nom du fichier du programme d'installation est du type

matlab_<release>_win64.exe

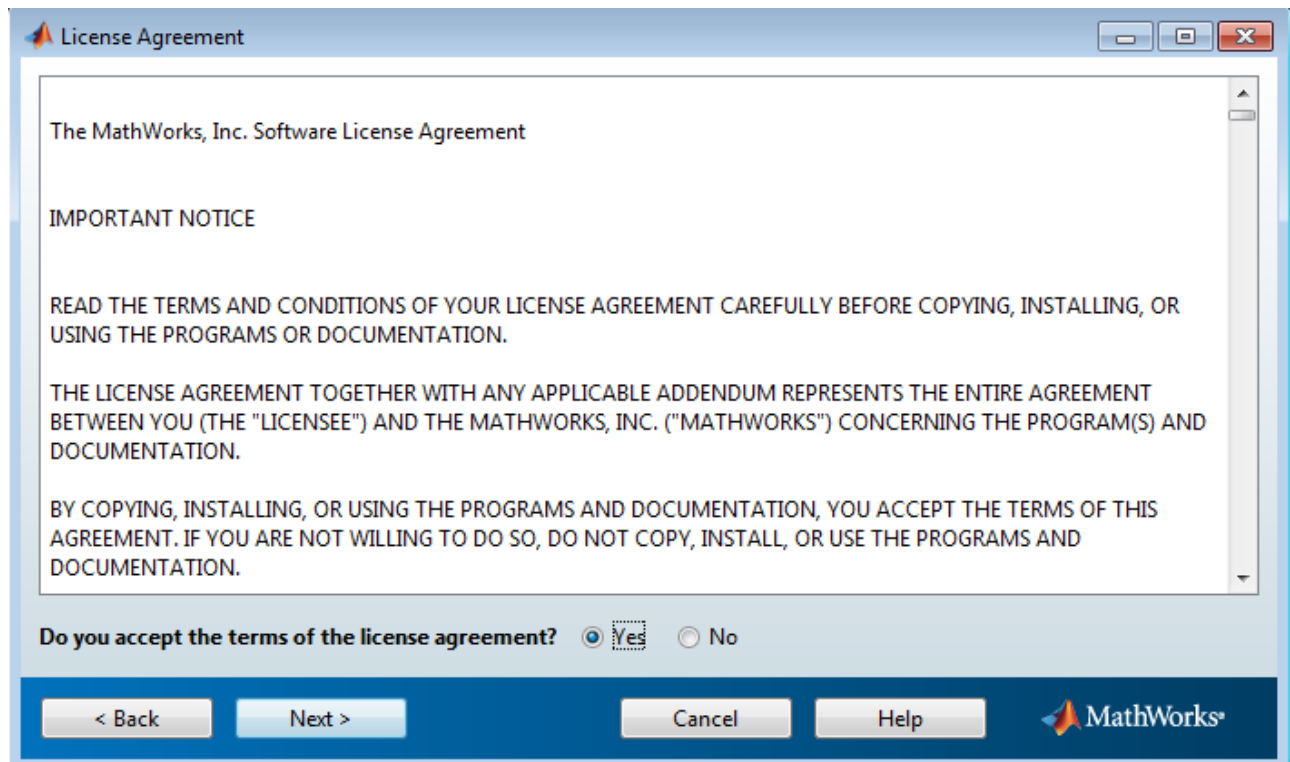

Où <version> correspond au numéro de la version.

The screenshot shows a web browser window with the MathWorks Downloads page. The address bar displays the URL `www.mathworks.com/downloads/web_downloads/select_release`. The page has a blue header with the MathWorks logo and the word "Downloads". Below the header, there are two main sections: "Download R2016a" and "Download Earlier Release". The "Download R2016a" section features a large blue button with a download icon and the text "R2016a". Below this button, there are links for "R2016a", "Released: 2016-03-03", "System Requirements", and "Release Highlights". The "Download Earlier Release" section is a list of previous versions: "R2015b", "R2015aSP1", "R2015a", "R2014b", and "R2014a". At the bottom of the page, there are links for "Licensed Downloads FAQ", "Trials FAQ", "Download & Install Troubleshooting", and "Contact Support". The footer includes a "United States" button, social media icons, and copyright information: "Patents | Trademarks | Privacy Policy | Preventing Piracy" and "© 1994-2016 The MathWorks, Inc."

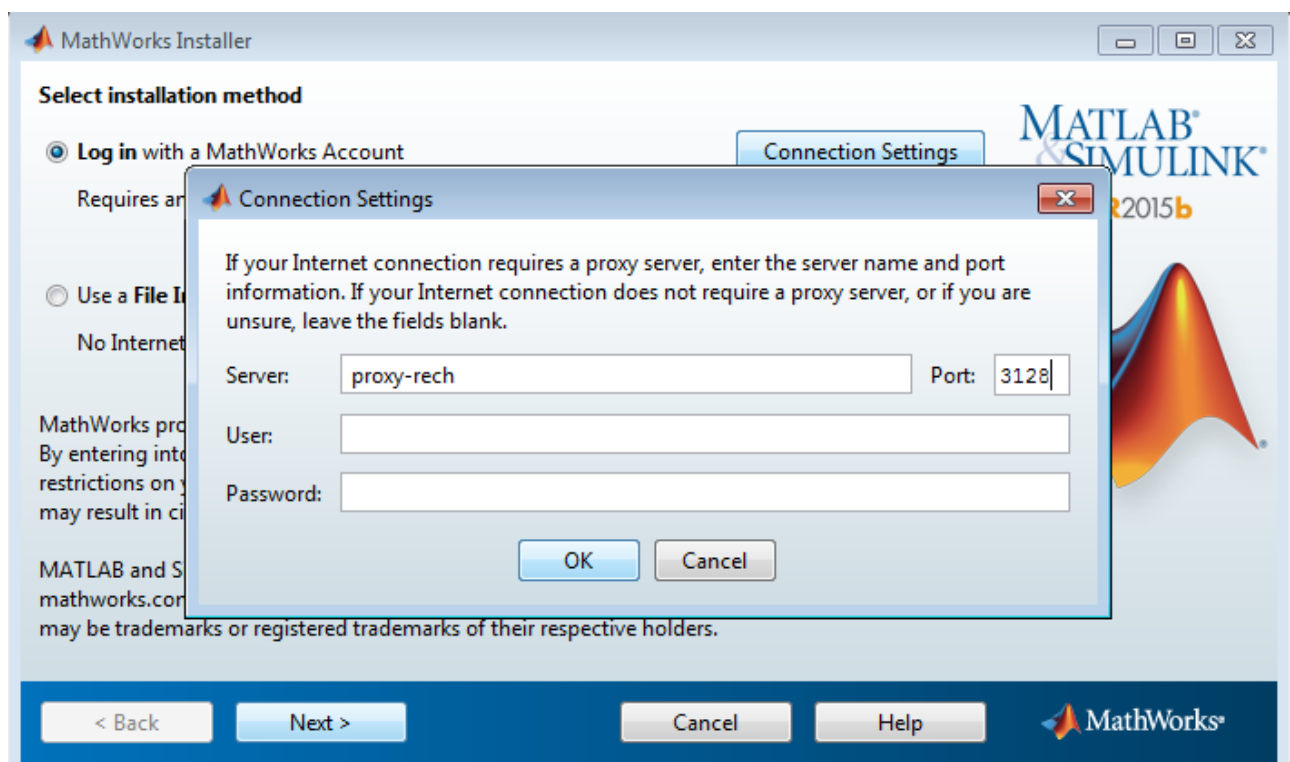

The screenshot shows the MathWorks website's 'Downloads' section for R2016a. At the top, there's a navigation bar with 'Fichier', 'Édition', 'Affichage', 'Historique', 'Marque-pages', 'Outils', and 'Aide'. The browser address bar shows 'http://www.mathworks.com/downloads/web_downloads/download_release?release=R2016a'. The page has a blue header with the MathWorks logo and 'Downloads'. A yellow warning box for Mac OS X 10.12 (Sierra) customers is present. The main content area is titled 'Download R2016a Installer' and is divided into two columns. The left column, '1. Choose Installer', has three blue buttons: 'Windows (64-bit)', 'Mac OS X (Intel 64-bit)', and 'Linux (64-bit)'. The right column, '2. Download product files', contains instructions to 'Run the installer and log in as' followed by a redacted username and 'univ-valenciennes.fr'. It also includes a section 'Need to install multiple platforms?' with a note to 'Run any R2016a installer and select the Download Only option.' A sidebar on the right promotes 'Learn MATLAB Now' with a 'Get Started' link. At the bottom, there are 'Helpful links' for system requirements, ISO images, and instructions. A footer contains links for 'Licensed Downloads FAQ', 'Trials FAQ', 'Download & Install Troubleshooting', and 'Contact Support'.

2. Démarrez le programme d'installation :
3. Double-cliquez sur le fichier du programme d'installation, téléchargé à l'étape précédente. L'extraction automatique de Windows s'exécute, puis le programme d'installation démarre.

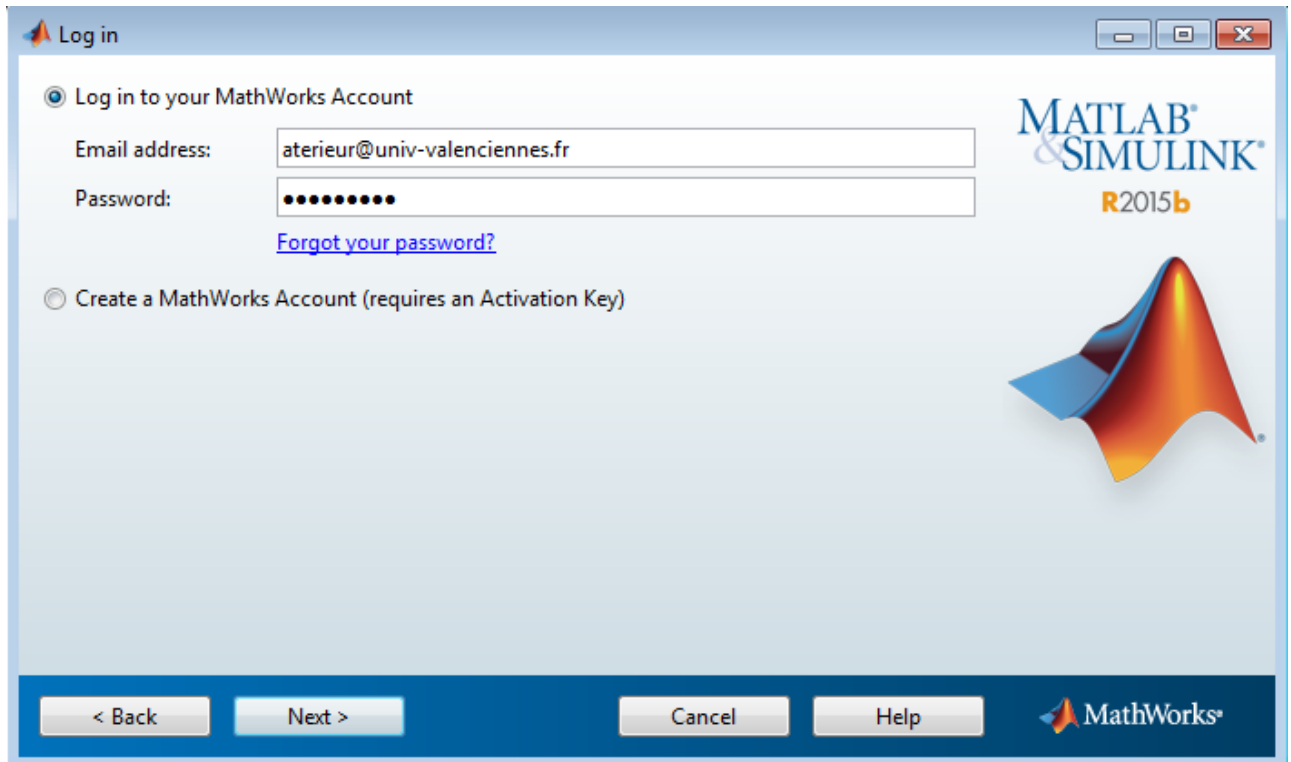

The screenshot shows the 'MathWorks Installer' window. The title bar says 'MathWorks Installer'. The main window has a blue header with the MathWorks logo. The content area is titled 'Select installation method' and has two radio buttons: 'Log in with a MathWorks Account' (selected) and 'Use a File Installation Key'. The 'Log in' option has a 'Connection Settings' button and the text 'Requires an Internet connection'. The 'File Installation Key' option has a 'What is this?' link and the text 'No Internet connection required'. Below these options, there is a paragraph of legal text: 'MathWorks products are protected by patents (see mathworks.com/patents) and copyright laws. By entering into the Software License Agreement that follows, you will also agree to additional restrictions on your use of these programs. Any unauthorized use, reproduction, or distribution may result in civil and criminal penalties.' Another paragraph follows: 'MATLAB and Simulink are registered trademarks of The MathWorks, Inc. Please see mathworks.com/trademarks for a list of additional trademarks. Other product or brand names may be trademarks or registered trademarks of their respective holders.' On the right side, there is a large graphic of the MATLAB & SIMULINK logo and the R2015b version number. At the bottom, there is a blue bar with four buttons: '< Back', 'Next >', 'Cancel', and 'Help'. The MathWorks logo is also in the bottom right corner.
